

Now, enjoy far faster, easier filing. Each drawer—even when heavily loaded — glides easily and quietly on 4 special rollers for a lifetime of silent, whispering operation.

OUR GUARANTEE

10-Day Free Trial! Return for immediate refund if not completely satisfied.

FAMOUS 4-DRAWER **File-King!**

An Outstanding Value!

Now is the right time to modernize your filing system . . . with these superb files at bargain prices..

High Quality Throughout!

Superior construction methods assure years of filing satisfaction. For example, File-King is carefully fabricated of welded and reinforced 22 and 24 gauge furniture steel — interior girder channels of extra-heavy 18 gauge steel. Each drawer has an easily adjustable follow block with an automatic, non-slip positive locking device that encourages orderliness of filed contents. You get fully 23" of clear filing space with the block at the extreme rear of the drawer.

Specifications

Overall size: 52"H x 15 $\frac{3}{8}$ "W x 24"D. Inside drawer size: 10 $\frac{7}{16}$ "H x 12 $\frac{5}{16}$ "W x 23"D. Shpg. Wt. 88 lbs. Plunger lock if desired, \$9.00 add'l.

Sparkling drawer pulls, knob rods and label holders accent the smart appearance of this fine file. Files with beautiful dawn-grey baked-enamel finish will be shipped unless you specify office green. F.O.B. N.Y. The Federal Trade Commission, as you know, frowns on use of comparative prices. Therefore, we simply invite you to check any of our catalogs to see at what price we catalog these files.

Modern, Streamlined STEEL DESK

This sleek functional steel desk is the very newest in modern design. It has been engineered and constructed for utmost durability. The desk is shipped knocked down to save freight costs . . . is easily assembled in minutes, using just a screwdriver. It is rigidly built, for a life-time use, with construction features found generally only in the highest priced desks. Rigidly constructed of heavy-duty 20 and 22 gauge automobile steel, this attractive desk has twin reinforcements under the extra-heavy steel, linoleum covered top. Desks with silver-grey baked enamel finish will be shipped unless you specify mist green or tan (same price).

A Tremendous Bargain... JUMBO STEEL CABINET!

This outstanding steel cabinet is an unbeatable value for all who require a sturdy, dependable, neat-appearing storage cabinet. It is ruggedly built of heavy gauge steel, and protects contents against dust, moisture, fire and theft. Wonderful for office, store, factory, or home use. Special twisted cam rod assures easy door-closing. Full-length, double reinforcing prevents sag. Polished chrome hardware adds to cabinet beauty. 3-point safety lock with 2 keys offers real security. Full flush sanitary base prevents dust accumulation beneath cabinet. Four adjustable shelves are included. Additional shelves, if desired, \$3.95 each. Attractive grey baked enamel finish. Cabinet is shipped knocked-down to save freight. Overall, 36Wx 18D x 72H. F.O.B. N.Y. Shpg. wt. 110 lbs.

7236. Jumbo Storage Cabinet. Bargain price..... **\$39⁹⁵**

cold feet with
*Electro-Mat***

Applications:

Machine operators
Cashiers
Elevator operators
Check stands in
retail stores
Office workers
Telephone operators
Receptionists
Gate guards
Garage mechanics

A Modern Electric Foot Warmer . . . Increases efficiency of employees

The volume of work produced and efficiency are low when an employee is uncomfortable. Electro-Mat is portable enough to be moved from place to place as needed and produces enough uniform radiant heat to relieve discomfort of cold feet. The 14x21" mat is made of top-grade heat resistant rubber that will resist water, grease and the elements for years of trouble-free service . . . contains an electric heating element that consumes less electricity than a 100 watt bulb — yet keeps you warmer than an ordinary 750 watt heater. No dangerous exposed element . . . no noisy fan. Smooth operating, silent, Electro-Mat keeps your feet, ankles and legs comfortably warm. Whether on the production line or in the office, your employees will work with increased efficiency and with less absenteeism due to colds if you provide them with Electro-Mats to keep them healthy and comfortable. F.O.B. Ill.

AUTOMATIC HUMIDIFIER

Eliminate dry skin, nose, throat. Prolong the life and finish of furniture, walls, musical instruments, carpets. This compact, portable machine automatically maintains constant humidity for health and comfort. It filters . . . removes dust from the air you breathe. It deodorizes . . . freshens stale air. Easy to use . . . just plug in anywhere! Costs less than a cent a day to operate. And Tropic-Aire Humidifier is automatic in its moisture release. It supplies only the moisture the dry air will absorb, thereby preventing excessively moist conditions. Thus, when the natural humidity is high, evaporation from the unit will be retarded but the other functions of the unit, such as circulating, washing, deodorizing of air, etc. continue. Big capacity, 6-8 gallons 10" fan. Circulates 38,400 cu. ft. of air per hour . . . humidifies 15,000 cu. ft. area. Its size is 25½H x 16W x 17" D. 115 Volt AC. 50-60 cycles Beautiful Brown and Tan finish F.O.B. Mo. Wt. 44 lbs.

Make Your Own Rubber Stamps in Just One Minute With This Easy-to-use Kit!

Now, make your own rubber stamps at a fraction of Commercial costs!

New patented method: Set the type just as you read it . . . easy as stringing beads!

Handy . . . Fast . . . Fumble free! Merely string the letters on a rod, pull the tension band over each end, insert the handle and WHAM! — you've got a perfect rubber stamp in practically no time. The handy cabinet has one plastic drawer holding 180 14 pt. characters

alphabetically on little square rods. Select the character you want from the big reference letters on the back. The other drawer stores a 1-line holder and a 3-line holder, the handles, a stamp pad, gummed identifying labels and extra type rods you can use to store stamps you use a lot.

14. Rubber Stamp Kit. Just **\$9.95**

Safe, Convenient "Kik-Step"

Add 14" to your reach—SAFELY

Just give it a little kick

—it will glide smoothly on hidden, non-marking, easy-rolling casters to where you want it. STEP UP . . . the spring-mounted casters retract with the slightest pressure as the base "grabs" the floor. STEP DOWN . . . casters engage with the floor again and "Kik-Step" is ready to roll to another location. "Kik-Step" provides the perfect way to reach those high places throughout the office, shop, warehouse, library, factory. It also is extremely useful as a handy seat for those many low, back-breaking jobs . . . bottom drawers in the file department, low shelves, etc.

Specifications

The unit is sturdily constructed of heavy gauge steel. There are ribbed rubber treads on upper and lower platform; all-around protective bumper. Upper platform 11" dia., lower platform 13 1/2" dia., base 15 3/4" dia., hgt. 14". The baked enamel finish is electrostatically applied for durability. "Kik-Steps" having gray finish will be shipped unless you specify another color when ordering. Available also in Coppertan, Beige, Mist Green, Silvertone Gray, Blue, Yellow, White, Dull Black, Turquoise, Copperglo, Desert Sage.

Shipped F.O.B. Kans., wt. 12 lb.

Spring-mounted casters retract when you step up—for perfect safety.
